The latest news and updates from Hudson First

CALDWELL PREGNANCY CARE CENTER Baby Bottle Campaign

Every year Hudson First participates in the Baby Bottle Campaign to help raise money and support for the Caldwell Pregnancy Care Center ministry. Our support will help meet the physical, emotional, and spiritual needs of women in our community that are facing a present, potential or past pregnancy. The CPCC shares the gospel with every client they serve. We have an opportunity to be the hands and feet of Jesus and partner with a great ministry as they serve the women in our community. Empty baby bottles can be found in both morning worship services Sunday, May 9 or you can come by the church office to pick up a bottle. We ask that you take the bottles home Sunday, May 9 (Mother's Day) and fill with change (bills and checks are accepted as well) and return with your bottles on Sunday, June 20 (Father's Day).
