Church Family, our church is full of caring & wonderful people. I want to thank everyone that thought of us during Andrew's sickness and hospital stay. We thank everyone for their prayers, phone calls, visits, all the great food, and the gifts of money. I want to thank Jim & Denise Bare for their visits at the hospital. I want to thank Pastor Mack for his visit at home and bringing the Sonshine basket from the church nursery and mission friends. Thank you and God bless you all!

Ed, Anita, & Andrew Robbins

First Baptist Church,

I want to thank you for hosting our "Back to School" Faculty Meeting this year. The food was delicious, the environment comfortable, and your staff was very kind. A couple of students have already benefited from the great amount of supplies too. Thank you again so much!

Shoebox News

Another 136 Shoeboxes were wrapped and packed with love by your shoebox Worker Bees these past 2 weeks. This brings our total to 2088 boxes for 2019. What better way can we share the love of Jesus with the children around our world? Dudley Shoals Baptist Church has reached out to us to help expand their reach to the poverty-stricken Kentucky. They need our help! They are asking for us to pack 650 Hope Boxes before Easter. These boxes are a little different than Samaritan's Purse Boxes because they will need toothpaste, colorful socks, glue sticks, snacks, candy, and toys. They say the children are so excited to see them coming and welcome them with open arms. The school system distributes the boxes to children who need them. We know this project will take lots of planning and effort on our part. This challenge we prayerfully accept with the hope that we can help these children learn about Jesus and accept Him as their Savior.

Our Many thanks to all you wonderful people who bless us each week with needed items and money. We run strictly on donations so your assistance matters!

May God bless you all, Linda Rash
